Subject: Re: Request - BOE Approval for Travel: Health Equity Awakened Fellowship

Hello Steve,

I'm writing in follow up to confirm that my colleague Genny Turner (cc-ed) and I participated in the [Health Equity Awakened Leadership Institute Fellowship](#) in-person meeting in Oakland, CA on March 23-26, 2022. The purpose of this fellowship is to develop personal, institutional, and structural level approaches to health equity and racial justice. As indicated below, Human Impact Partners, the program sponsor, covered the cost of our flights and hotel accommodations to attend this meeting. Please advise if you require any additional information.

Thank you again for your assistance.

Happy Monday,

Kate
